On January 19th at 10a.m. we will have a one-hour magic and puppet show from "Mr. Steve", focusing on our Planes, Trains and Automobiles theme. He will also make balloon twisties for the kids. Cost is \$8.00

NEW TECHNOLOGY COMING TO VSHS & BAIC

As discussed at the Christmas Play last month, we are launching our new web site in January. Our web address is easy to remember: www.verashankheadstart.com. You can also find us at www.fellspointdaycare.com. You'll find many resources for VSHS parents on the new site, including menus, curriculum, newsletters and more, all in an easy to navigate format. In the near future we will be adding a camera to each classroom. For a small additional fee, parents can log in to a special area of the web site and peek in on their children for brief periods throughout the day. To facilitate this for all the VSHS parents, special video waivers were sent home recently. Please be sure to sign and return them as soon as possible.
