Parents News

We are asking that parents do not bring in food in the morning . We serve breakfast from 7:30 to 9:00 and with a lot of children bringing in food from home or fast food chains, it tends to cause problems with the children that do not have these items. We also ask that parents do not bring in toys from home unless it's a cuddly toy for naptime that stays only for naptime. Too many items can get lost and we do not need parents upset that we did not watch every non-school toy. Items can only be brought in on Friday for show and tell and must have your child's name clearly written on there. Thanks in advance!!!
