

The Baltimore American Indian Center Vera Shank Head Start May 2006 Newsletter

Curriculum

This month's themes are "Things That Bug Me" where the children are going to learn all about the creepy crawlies in our world and our second half of May is "A Trip to The Zoo" where we go bigger scale on the animal kingdom than bugs and see what else is out there for us to explore. :)

Graduation 2006 and Dinner

Graduation will be June 2nd for all at 5:30pm. We will have food afterwards for everyone, if anyone wants to sign up for food we will have a sign up at the front.. We will also have a special dinner on the 24th of May for all Graduates moving to Kindergarten. Only those with invitations are allowed to participate. We will have a limo arrive at 4:00P.M. for all graduates and the school will close at 3:30p.m. that day for the event. If you are a parent of a graduate, please look in your mailbox for your invitation.

We are having a great summer camp this year!!!!!!!!!!!!!! The cost is \$125.00 a week and I know that parents of Head Start are like?@*%. But....it is only \$45.00 more than you pay now and you have to consider that Head Start is free for 6 hours a Day, during the regular season. We are not free, we charge \$80.00 for the regular season and only \$9.00 extra a day during the summer. We will have so much for your children to do this summer. I will have a calendar out in a week for you to see the fun things we are doing. Don't forget to look in their cubbies for the calendar and your child will have a great summer.
